

Wu Yuhan

Tel: +8613516305590 **Email:** jamespw@buaa.edu.cn
Native Place: Dezhou City, Shandong Province, China

EDUCATION

09/2019-Now Beihang University

School: School of Cyber Science and Technology

Major: Information Security

Degree: Bachelor of Engineering

Overall GPA: 3.88/4

Rank: 2/50

SKILLS

English: CET-6 (612)

Programming: proficient in C/C++/Java/Python/SQL

INTERNSHIP & ACADEMICS EXPERIENCE

1. 06/2022-now: Internship at Institute For Network Sciences And Cyberspace of Tsinghua University

Supervisor: Assistant Professor Zhang Han

2. Term Project of *Network Security Innovative Experiment*:
Security Vulnerability Exploitation and Defense for Enterprise-level Networks

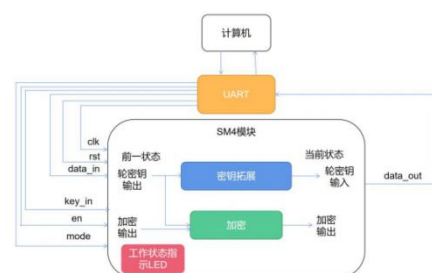

Supervisor: Associate Professor Mao Jian

Responsibility: I built virtual machines and network environments, implemented specific attacks and defenses in them.

3. Term Project of *Digital Circuit and Systems*: FPGA-based SM4 algorithm implementation and optimization

Supervisor: Professor Guan Zhenyu

Responsibility: Implementation and simulation of SM4 algorithm.

CURRICULUM ACTIVITIES

04/2020-Now: Member of the Tianxiao Quyi Troupe of Beihang University
